Protected Deposit Bonus sub-funds

Protection level (%)	95	97.5	100
Bonus rate*	8.81%	4.14%	0.14%
Potential growth*	3.36%	1.53%	0.14%

*The bonus rate is a percentage of the capital protected amount and is added to that amount if the FTSE 100 and S&P 500 indices do not end the period below their respective strike levels. The potential growth is the percentage by which investments will rise if the bonus is added. The final index position is calculated by averaging the index levels during the final five business days of the investment quarter.

Protected Index sub-funds (profit rates**)

Protection level (%)	UK FTSE 100	US S&P 500	Japan Nikkei 225	Europe EURO STOXX 50	Protected.com Nasdaq-100
